

3. How will the curriculum be matched to my child's needs?

When a pupil has been identified with special needs their work will be differentiated by the class teacher to enable them to access the curriculum more easily.

Teaching Assistants may be allocated to work with the pupil in a 1-1 or small focus group to target more specific needs. Additionally, your child may work the Senco assistant if they have more specific needs.

If appropriate, specialist resources may be given to the pupil e.g. writing slopes, coloured overlays, pen/pencils grips or easy to use scissors.
